Carte

Submersible, Subway, Network, & Specialty Transformers

Cleveland/Price

15-345 kV Air Break Switches & Motor Operators

Columbia Manufacturing

Polyethylene Secondary Pedestals & Pole Line Hardware

Condux

Underground Rodding & Pulling Equipment, Tools & Accessories

Delta Star

10-190 MVA Substation Power Transformers & Mobile Substations

ERMCO

1Ø & 3Ø Pole & Padmount Distribution Transformers, 1.5-2500 kVA

Galvan

Ground Rods, Clamps, Couplings

Harger

Grounding Materials, Ultraweld Exothermic Connectors & Lightning Protection

Mosdorfer

Transmission, Distribution & Fiber Optic Hardware

Myers Power Products

15-38kV Substation Circuit Breakers

Newell-PSN

Porcelain Line & Station Post Insulators

Nexans Energy

AAC, ACSR, OH & UG 600v Multiplex Cable & TRXLP HV Cable

Power Design Inc

Fiberglass Sectionalizing Pedestals, Padmount Switchgear, Buildings & Enclosures

PUI

Fiberglass Crossarms, Crossarm Braces & Deadends

Sabre/FWT

Tubular Steel Transmission & Distribution Poles and Substation Structures

SEFCOR

Substation Bus Fittings

SFPOC

Optical Static Ground Wire-OPGW

SMIT

Large Power Transformers, Phase Shifters & Reactors

Transdata

Digital RMS Energy Meters, Relays & Transducers

Trojan Dryout Systems

Online Transformer Analysis & Dry-Out Systems

Utility Solutions

Load Break Tools, Hotsticks & Accessories

Weidmann

Transformer Insulation, Oil Testing & Lab Services, Transformer Fleet Assessment, Transformer Monitoring Equipment

NORTHERN IDAHO ONLY

Dura Line

PE Conduit & Fittings, Pulling Lubricants & Tape

Elliott Industries

Padmounted Switchgear & Metering Equipment
