Barrington Consultants
Transformer Temperature Differential
Monitors

Brametal
Steel Lattice Structures

Carte
Submersible, Subway, Network, & Specialty
Transformers

Cleveland/Price
15-345 kV Air Break Switches & Motor
Operators

Columbia Manufacturing
Polyethylene Secondary Pedestals & Pole
Line Hardware

Condux
Underground Rodding & Pulling Equipment,
Tools & Accessories

Delta Star
10-190 MVA Substation Power
Transformers & Mobile Substations

Dura Line
PE Conduit & Fittings, Pulling Lubricants &
Tape

Elliott Industries
Padmounted Switchgear & Metering
Equipment

ERMCO
1Ø & 3Ø Pole & Padmount Distribution
Transformers, 1.5-2500 kVA

Galvan
Ground Rods, Clamps, Couplings

Harger
Grounding Materials, Ultraweld Exothermic
Connectors & Lightning Protection

Mosdorfer
Transmission, Distribution & Fiber Optic
Hardware

Myers Power Products
15-38kV Substation Circuit Breakers

Newell-PSN
Porcelain Line & Station Post Insulators

Nexans Energy
AAC, ACSR, OH & UG 600v Multiplex Cable
& TRXLP HV Cable

Power Design Inc
Fiberglass Sectionalizing Pedestals,
Padmount Switchgear, Buildings & Enclosures

PUPI
Fiberglass Crossarms, Crossarm Braces &
Deadends

Sabre/FWT
Tubular Steel Transmission & Distribution
Poles and Substation Structures

SEFCOR
Substation Bus Fittings

SFPOC
Optical Static Ground Wire-OPGW

SMIT
Large Power Transformers, Phase Shifters &
Reactors

TE Connectivity (Tyco)
Terminations, Heat & Cold Shrink Products,
Splices, Cable & Bus Accessories, Photo
Controls, Amp Connectors

Transdata
Digital RMS Energy Meters, Relays &
Transducers

Trojan Dryout Systems
Online Transformer Analysis & Dry-Out
Systems

Utility Solutions
Load Break Tools, Hotsticks & Accessories

Weidmann
Transformer Insulation, Oil Testing & Lab
Services, Transformer Fleet Assessment,
Transformer Monitoring Equipment
