AWG

AAC & AAACP, ACSR,
Overhead/Underground 600 Multiplex Cable,
TRXLPE & EPR Primary Cable, Bare Copper,
Guy Wire, Control Cable

Carte

Submersible, Subway, Network, & Specialty
Transformers

Cleaveland/Price

15-500 kV Air Break Switches & Motor
Operators

Columbia Manufacturing

Polyethylene Secondary Pedestals & Pole Line
Hardware

Condux

Underground Rodding & Pulling Equipment,
Tools & Accessories

Delta Star

10-190 MVA Substation Power Transformers &
Mobile Substations

Dura Line

PE Conduit & Fittings, Pulling Lubricants & Tape

Elliott Industries

Padmounted Switchgear & Metering Equipment

ERMCO

1Ø & 3Ø Pole & Padmount Distribution
Transformers, 1.5-2500 kVA

Galvan

Ground Rods, Clamps, Couplings

Harger

Grounding Materials, Ultraweld Exothermic
Connectors & Lightning Protection

Klute Steel Inc.

Substation steel fabrication including dead end
structures, static masts, equipment stands & bus
supports

Myers Power Products

15-38kV Substation Circuit Breakers

Pfiffner

Instrument Transformers (25kV - 550kV),
CTs, VTs, PTs, CCVTs, Resistive
Capacitive Voltage Dividers & Combined
Instrument Transformers.

Polaris Connectors

Uninsulated & insulated mechanical
connectors for distribution transformers
and secondary pedestals.

Power Design Inc

Fiberglass Sectionalizing Pedestals,
Padmount Switchgear, Buildings &
Enclosures

PUPI

Fiberglass Crossarms, Crossarm Braces &
Deadends

SEFCOR

Substation Bus Fittings

SFPOC

Optical Static Ground Wire-OPGW

SMIT

Large Power Transformers, Phase Shifters
& Reactors

TE Connectivity (Tyco)

Terminations, Heat & Cold Shrink
Products, Splices, Cable & Bus
Accessories, Photo Controls, Amp
Connectors

Transdata

Digital RMS Energy Meters, Relays &
Transducers

Trojan Dryout Systems

Online Transformer Analysis & Dry-Out
Systems
